Work Experience

- 6/2016-present: Owner: Teater Health Solutions. We work with medical and governmental agencies to reduce opioid prescribing, improve pain treatment, prevent addiction, and increase access to medication-assisted treatment for those with opioid use disorder.
- 1/2020-present: Pain and addiction specialist, SouthEast Alaska Regional Health Consortium (SEARHC), Juneau, AK. Responsibilities include:
 - Direct patient care for treatment of chronic pain and addiction 3-5 days each month
 - Developing and producing continuing education programs for medical professionals at SEARHC on the topics of pain and addiction
 - Consultation and telemedicine treatment of people with chronic pain and opioid use disorder
 - Clinical policy development
- 4/2012-present: Physician, Meridian Behavioral Health Services, Waynesville, NC. Meridian is a nonprofit organization providing mental health and substance abuse services to people in the western North Carolina. Our target population is low-income and uninsured. My responsibilities include:
 - Treatment of opioid use disorder utilizing buprenorphine (Suboxone)

- Since 11/2018 I have utilized telemedicine from Denver, CO to treat my patients in western NC.
- 4/2013-6/2016: Medical Advisor, National Safety Council. Itasca, IL. I led the NSC initiative to reduce death and injury from prescription opioid overdose and addiction. Primary duties included:
 - Educated prescribers about the risks involved with the use of opioids and about more effective ways to treat pain (acute and chronic) than the use of opioids
 - Helped employers understand the safety risks and increased costs that result from having employees on opioids
 - Advocated for laws that will reduce the availability of opioids and increase access to treatment for opioid use disorder
- 3/2012-7/2016: Medical Director, Behavioral Health Group, Asheville, NC. This is an opioid treatment program using methadone and buprenorphine for the treatment of opioid use disorder.
- 2008-3/2012: Physician and Medical Director at Mountaintop Healthcare and the Good Samaritan Clinic of Haywood County, NC.
 - Provided direct primary care to patients who were low-income and without insurance
 - Offered an opioid addiction treatment program treating people living throughout western North Carolina using a sliding fee scale
 - Started three other free clinics in surrounding counties (Jackson, McDowell, and Graham), two of these continue to operate independently
 - Advocated for patients: I have met with county, state, and federal leaders to advocate for the needs of our patients.
 - Promoted fundraising by giving presentations to countless civic and church groups
- 1996-2007: Physician at Blue Ridge Family Practice, Clyde, NC.
 - This was a solo practice where I practiced with my wife, Martha, who is a licensed marriage and family therapist and licensed clinical addictions specialist. We closed this practice at the end of 2007 so that we could both work fulltime at Mountaintop Healthcare and the Good Samaritan Clinic of Haywood County.
 - Started treating opioid use disorder with buprenorphine in 2004
- 1988-1996: Physician at Waynesville Family Practice. Waynesville, NC.

Notable Committees, Consults, Projects:

- Lead facilitator: Expert Panel for CDC Guideline for Prescribing Opioids for Chronic Pain, Atlanta, GA, 2015
- Consultant with the Center for Disease Control on academic detailing of prescribers in the Prevention for States grant program, 11/2016 – 6/2019
- American Society of Addiction Medicine: Pain & Addiction: Common Threads Planning Committee, 7/2018 – present

- Project ECHO: Subject Matter Expert, Mountain Area Health Education Center, Asheville, NC, Multiple programs on pain and addiction, 2/2018 – present
- Board Member: Pedal4Life – a nonprofit organization in Chicago, IL, that helps people in recovery from opioid use disorder maintain sobriety by stimulating natural endorphin and dopamine production through recreational cycling, 2016 – present
- Faculty: National League of Cities, Mayors’ Institute on Opioids, Boston, MA, May 2018
- Consultant, Urban Institute on social impact bonds and their use to address the opioid epidemic, 4/2017 – 10/2017
- Contract with the NC Governor’s Institute to provide consultation on pain treatment to two large primary care practices in Asheville, NC, 4/1/2016 - 6/30/2016 and 4/1/18 – 7/31/18
- Member of the Specialty Consultants Panel for Pharmacist’s Letter and Prescriber’s Letter, 1/2017-present
- Opioid Stewardship Advisory Committee, North Carolina Hospital Association, 6/2016 – 12/31/17
- Prescription Drug Abuse Advisory Committee. NC DHHS, 6/2015 – 10/2018
- Participant: World Health Organization Second Technical Consultation on Drug Use and Road Safety, Mallorca, Spain, 12/2015.
- Addiction Treatment Advisory Group, Academy of Managed Care Pharmacy, 6/2015 – 12/2016
- American Society of Addiction Medicine Payer Relations Committee, 6/2015 – 10/2016.
- Trustee, Mars Hill University, 1998-2002

Volunteer Experience

- Current: Medical Advisor to the Waynesville, NC LEAD (Law Enforcement Assisted Diversion) program
- 1993-2007: Volunteer Medical Director of the Good Samaritan Clinic of Haywood County. This started as a small clinic treating migrant farm workers and grew to be one of the largest primary care, free clinics in the state.
- 2004-2008: My wife and I formed a youth group in our church that would do monthly service projects to help needy residents in our community. Generally, this involved construction projects such as building a decks or ramps, installing siding, painting houses, etc.
- 2011: Chairman of the medical committee for “Prescription for Safety”. This was a county task force addressing the issues of abuse and overdose from prescription medications. The death rate from prescription overdose in Haywood County is 3 times the national rate.
- Medical mission trips: I have done medical mission trips to Zambia, Ecuador, and twice to Honduras.
